Be fearless

How to be fearless

1. First you should run away from cowards.
2. Then go straight to Yoda, the master.
3. Learn a few tricks from him.
4. Now you're fearless

How not to be fearless

1. Stay close to some coward
2. Never exhaust yourself learning some useless tricks.
3. Never trust a senile master.

The perfect recipie to get you going

Bow down

- To the god
- To the parents

Be a bootlicker

- Of your boss
- Of a nonsense politician
