LaTeX raw templates and Rmarkdown example notebooks

Beamer and beamer template based rmarkdown presentation

Certificate

Cheatsheet

Cover letter

```
cd cover_letters/
latex -output-format=pdf Deependra_Cover.tex
```

My cover letter for a company. Note that document class is letter, not the default article document.

CV

- Uses pdflatex for conversion
- Features two formats – general and simple
  - General is based on moderncv class and uses `Photo_pp.jpg` supplemental file
  - Simple is based on article class

```
cd cv/
latex -output-format=pdf Deependra_CV.tex # general
latex -output-format=pdf Deependra_CV_simple.tex # simple
```
